## Description:

This volume of the Navarre Bible commentaries sheds light on the four “major” prophets of the Old Testament: Isaiah, Jeremiah, Ezekiel, and Daniel. In the language of the Bible, the words “prophet”, “prophecy” etc. have quite a broad meaning, but all refer primarily to the idea of “speaking in the name of God”. While each of these books of the Old Testament is unique in its message, there are three points that they all stress – belief in God, the future Messianic age, and ethical and social teaching. Like all the books in the Navarre series, this edition will help to deepen your understanding of these sacred texts.

Serious scripture scholars and those who are not scholars but want to know more about scriptural prophecy will want to take a serious look at the Navarre Bible, which is so comprehensive that it is released in several book combinations. I couldn't carry this type of study Bible unless it was divided into many volumes. Having more background on the historical times surrounding events in the Bible and as well as anthropological and sociological data about the lives of people in those times has opened up a new level of understanding for me. I just didn't have the background to really understand the significance of what was said, how it was said in the context of the times. Couple this with the difficulty of accurate translation from ancient languages that do not use the same vocabulary that we use, I sometimes felt underinformed and, therefore, doubted that I really understood the times and mostly likely was limited in understanding the fullness of the message. Church history is imbedded within the study materials. Christianity started with Christ and not at the Reformation. This is must know material for Protestants, Catholics, and all doubters. Now I am more excited than ever before about the truths in the Bible. The Navarre translation is the best I've owned!

The Navarre Bible: Major Prophets (The Navarre Bible: Old Testament) in pdf books

## The Navarre Bible: Major Prophets (The Navarre Bible: Old Testament)

**Navarre Prophets Bible: Navarre Old Bible: (The Testament) Major The** I've got a bunch of the Navarre releases.
